

**Moody International Bulgaria Superbrand Nomination  
for a Second Consecutive Year**

For the second consecutive year, Moody International Bulgaria has been recognized by the prestigious international organization *Business Superbrands*, as one of the 500 "Superbrands" in the Bulgarian Market.

The brand MOODY INTERNATIONAL qualified along with others including Air France, Coca-Cola, Generali, Bosch, Hewlett-Packard and Deutsche Bank. An independent committee of experts evaluated thousands of brands and chose the winners, utilizing the procedures as set out by the World Organization of Superbrands.

As one of the 500 most powerful brands in the Bulgarian market for a second year running, Moody proves again its high quality services, professionalism, brand recognition and reputation. This indisputable success confirms the opinion of our clients, that they have chosen not only the leader in the certification market, but a reliable partner to assist in boosting their own reputation and confidence in the quality of their products and services.
